

New Shadow Command Megatron, Final Defense Optimus Prime Images

Contributed by NightViper
Thursday, 05 November 2009

Two auction have popped up on eBay for upcoming astf figures. The auctions give us a good look at the Shadow Command repaint of Leader Megatron and the Final Defense repaint for Voyager Optimus Prime. If you passed on the first Megatron, you definitely want to check out this repaint with his more striking color scheme and paint ops!

Click [here](#) for Shadow Command Megatron and [here](#) for Final Defense Optimus Prime. Then discuss both figures [here!](#)
