

Bumblebee Bust Bank Revealed

Contributed by NightViper
Saturday, 07 November 2009

You've got to spend money to...store money! Diamond Select Toys has revealed the second installment for their Transformers Bust bank line, and it's Bumblebee! The little yellow Volkswagon that could sports his classic look, as well as three points of articulation. So slide in some dimes or shoot some Decepticons!

[Click here](#) to see images of the bank, and [here](#) to discuss it.
