The Transformers Collectors' Club has posted a small update on the upcoming Punch/Counterpunch and Shattered Glass Cyclonus exclusive figures. According to the update, pre-orders are coming "very soon", as the only thing holding them up is confirmation of the shipping schedule.

Punch/Counterpunch and Shattered Glass Cyclonus will be up for Pre-order very soon. We are just waiting on the final confirmation of the shipping schedule. Fan response to both figures has been very positive, so if you are not yet a club member, now is the time to join so you don't miss out on these two great figures!

Also, they remind Club Members to check out the website during Toy Fair next week, as they will be posting images of some of the product on display at the event!
